

## BAKERYSELECT INSURANCE PROGRAM

WORKERS' COMP · GENERAL LIABILITY · PROPERTY · BUSINESS AUTO · EMPLOYEE BENEFITS

### COMPLETE RISK MANAGEMENT

as your professional insurance partner we constantly analyze and manage each of your organization's unique risks

#### PROGRAM OVERVIEW:

- **A SINGLE POINT APPROACH** - a unique aspect of the program is our ability to implement and service every line of insurance for your organization through a dedicated program team.
- **THE MOST COMPETITIVE RATES** - with privileged access to "A" rated carriers that offer a broad spectrum of coverages, we secure the best rates available for our clients.
- **IN-HOUSE CLAIMS ANALYSIS AND MITIGATION** - our claims experts relieve you of the burden of claims management. With 20 years of claims management experience, our staff consistently closes current claims and through employer/employee education, minimizes or eliminates future claims.
- **TARGETED SAFETY TRAINING** – our in-house safety department will provide you with a customized OSHA compliant safety program based on on-site visits and our expertise of the risks associated with your industry.
- **EMPLOYEE BENEFITS ADMINISTRATION** – our employee benefits staff will analyze and service your entire benefits package including your group medical, dental, vision, life, cafeteria, and retirement plans. Our staff also provides creative and cost-efficient solutions for you to attract and retain the best employees.
